Digital Schools Awards Framework

Co-funded by
the European Union

How it works

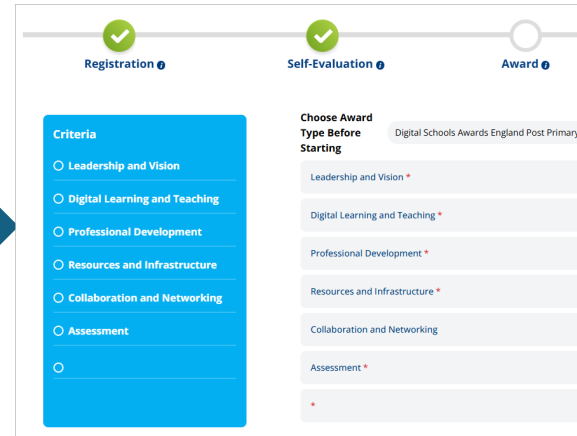

Stage 1 - registration

Schools register online for an account at [Digital Schools Awards](#)

Critical Friend allocated to your school

Complete a school self-review and use framework as guide for improvement. Share evidence of your efforts against criteria

When you have evidence, an external validator arranges to visit the school virtually

How it works

Stage 2 – the school visit

Discussions with the
school leader and
senior management
team

Classroom
observations

Discussions with
teachers and pupils

Plenary session

How it works

Stage 3 – feedback and recognition

Digital Schools Cluster Award

A cluster award recognises a group of schools working together strategically to enhance digital learning. Applying brings significant advantages for students, teachers, and the wider community:

- ✓ **Strengthen Collaboration** - Encourages schools to share resources, mentor, and jointly plan DT&L.
- ✓ **Develop Consistent Digital Practice and Curriculum** - Working as a cluster leads to more coherent digital provision and smoother transitions between stages
- ✓ **Build Professional Capacity Across the Cluster** - fosters CPD opportunities, shared reflective practice, peer support across schools. Strengthen staff confidence and digital pedagogy collectively.
- ✓ **Raise your Profile and Gain National Recognition** - A Cluster Award demonstrates leadership and excellence in digital learning across multiple schools
- ✓ **Accelerate Progress Through Shared Goals** - Working as a cluster creates shared accountability and momentum.

Key Milestones

Milestones						
Tasks	Effort	Step 1	Step 2	Step 3	Step 4	Step 5
Register School	Small 🐜	■				
Critical Friend Assigned	Small 🐜	■				
Undertake Self-Review and Identify Development Areas	Medium 🌴	■				
Critical Friend check in with school	Small 🐜		■			
Updates SIP / Digital Action Plan	Medium 🌴		■			
Use resources and seek support from CF / teams as needed	Small 🐜			■		
School Gathers Evidence (OneNote, ePortfolio, etc) and Submits	Medium 🌴				■	
Online Validation Visit	Small 🐜				■	
Award and Celebration	Medium 🌴					■

Learning Communities

DSA is connecting schools to work better together;

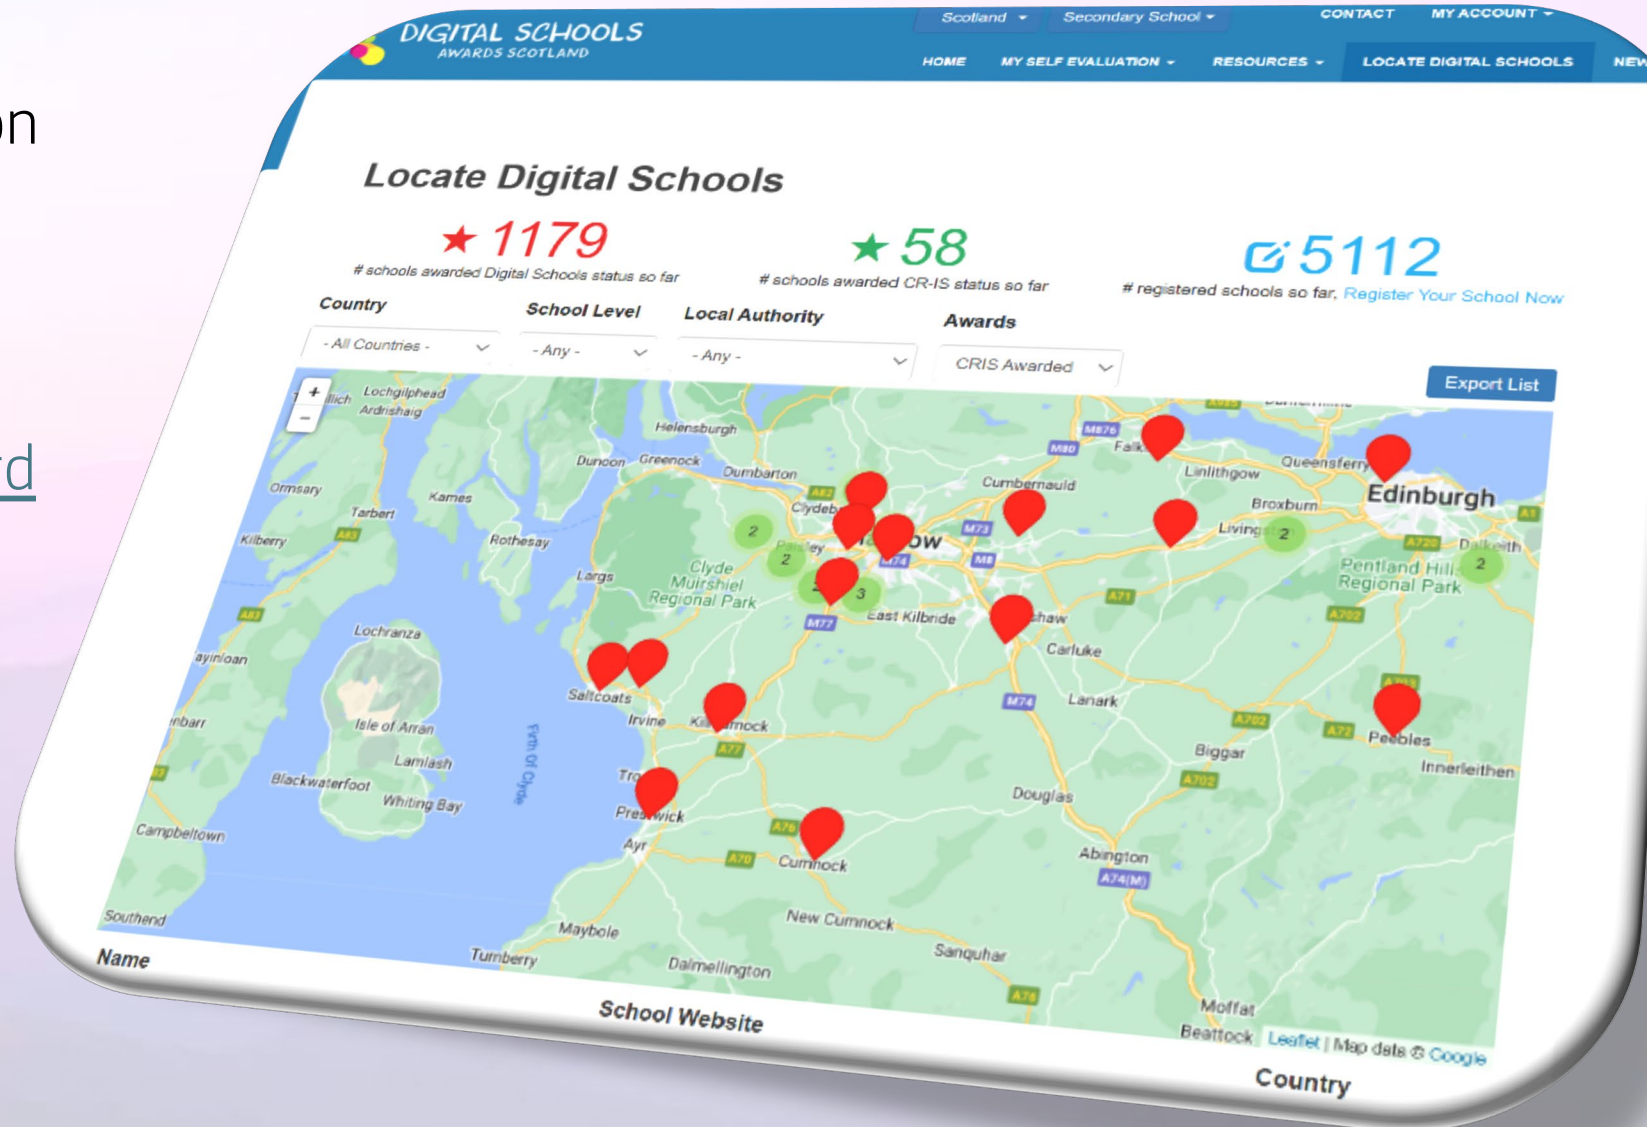

Nurturing digital teaching and learning across regions, schools and classrooms

Gives shared access to high-quality e-learning environments

Recognises and rewards collaborative development

Who can help?

- All schools awarded the Digital Wellbeing Award can be found on Digital Schools Awards website map (click on “Locate Digital Schools” > then choose “CRIS Awarded” from dropdown) at <https://www.digitalschoolsawards.com/school-locations>
- Contact a school to ask their advice and about their experience
- Advice can also be requested from a Digital Schools Awards validator

Thank you
